## TEAM PRAIRIES JUNIOR NATIONAL QUALIFICATION 2023 OUTDOOR

### Qualification Criteria / Notes

Players will be selected for the Outdoor National Championships based on Tennis Canada National Bank Rankings as of the July 11, 2023 cut-off date. For Under 12 – 18 the top three (3) players by gender in the age category between the two (2) provinces will qualify (unless player exemption(s) have been granted by the Team Prairies Selection Committee). The Team Prairies Selection Committee to invite players to participate in the Junior Nationals.

Tennis Canada National Bank Rankings are based on a rolling 52 week point accumulation. Points are accumulated from a player's top 5 results over the past 52 weeks. Results from each new week will be added and the results from the corresponding week of the previous year will be dropped. Players receive a ranking by playing at least one of the specified sanctioned ranking events.

For the 2023 Outdoor Nationals Qualification, a player must play a minimum of 4 Qualifying Tournaments (in either Manitoba or Saskatchewan) out of a total of 9 Qualifying Tournaments (In 2023 Manitoba will host 5 tournaments and Saskatchewan will host 4 tournaments for a total of 9) since January 1, 2023, with at least one of the tournaments being in the other Prairie province prior to the July 11, 2023 cut-off date.

### 2023 Outdoor Junior National Qualifying Tournaments are as follows:

Jan. 5 – 8	Taylor Indoor Junior Open, Taylor Tennis Club, Winnipeg, MB
Jan. 13 – 15	Prairie Regional Indoor Closed, Regina Sportplex, Regina, SK
Feb. 3 – 5	Provincial Indoor Junior Open, Lakewood, Saskatoon, SK
Feb. 17 – 19	Winnipeg Winter Club Junior Open, Winnipeg, MB
May 11 – 14	Kildonan Junior Open, Kildonan Tennis Club Winnipeg, MB
May 26 – 28	Riverside Junior Open, Riverside Badminton and Tennis, Saskatoon, SK

June 9 – 11	Provincial Junior Open, Lakeshore Tennis Club Regina, SK
July 6 – 9	Prairie Jr. Champs (Closed), Taylor Tennis Club, Winnipeg, MB (5 Stars)

Please note the following re: cancelled tournaments / events - players will be given credit for a tournament if they entered a tournament and it was cancelled due to a lack of entries or poor weather conditions.

If a player ranked in the Top 3 declines invitation to compete in the Junior Nationals, the next eligible player on the National Bank Rankings List will be invited UP TO THE #6 RANKING IN THAT CATEGORY within the PRAIRIE REGION.

If an ITF Junior Tournament conflicts directly with the dates of a Prairie Qualification Tournament, the player may choose to compete in the ITF event and receive credit for competing in the conflicting Prairie Qualification Tournament. The player must submit a COMPETITIVE SCHEDULE to the appropriate Provincial Coach for approval that the LEVEL of the ITF event is appropriate for the player.

### **Exemptions**

A player who does not or cannot meet the Qualification Criteria (including being ranked outside the National Bank Ranking top 6 in that category) and is seeking consideration must apply for an Exemption to the Team Prairies Selection Committee by June 15, 2023.

Application for Exemption must be made in writing to the Provincial Tennis Association Office where the athlete resides citing all reasons for not meeting the minimum qualification requirements and include all necessary doctor's notes etc....(possible reasons for Exemption may include injury, illness, national team requirements\*\*, and/or other valid reasons) .

\*\* Players who are part of a Tennis Canada NTC (National Training Centre) or Tennis Canada National Team member with a Top 3 National Bank Ranking (within the Prairie Region) in any given category will be considered for exemption even if they do not meet the FULL Team Prairies Selection Criteria
